# TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

NOTE:—Dealers' bills must be paid promptly within 10 days from receipt of purchases.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid \$4.50 for the lot then bid \$1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.

# COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

The offerings in this catalogue are varied and cover many lines, which have never been offered before. A specially choice lot of Chinese Coins.

The Excessively Rare 1849 \$20 Mormon piece rarely offered and of which I can find only one sale in over thirty years of auctioneering by one of America's leading Auction firms.

The Excessively Rare Liber Natus Libertatem Defendo 1787 New York Cent. Rarely offered and I cannot find where a better specimen has ever been offered.

A very choice lot of United States Bills not alone in one collection, but in several collections, which are being sold in this sale. A choice and varied lot of United States Fractional Currency.

The sale is particularly strong in its offerings of United States Half Dollars and other United States Coins of equal interest and many other classes of coins that will satisfy collectors in all branches of Numismatics.

My mailing list contains over 1000 active collectors. There will be distributed 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent at the last moment. Be sure to bid on the right lot and read the catalogue carefully when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to take a copy of your bids and be sure to sign your order, do this first. I get many unsigned orders.

Write down the right number you intend to bid on as I will not hold myself accountable for such errors and will be compelled to hold you responsible for your errors. Remember that the coins I am selling are the property of others and that I have to make an accounting to them.

Please send in your bids promptly on receipt and address all mail to Post Office Box 1765, Boston, Mass., to assure prompt delivery. Thanking you for your past patronage and some liberal bids for this sale.
